DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: an apparatus and method thereof for providing operation of a function in response to a request from a user having first and second computers wherein the second computer has the ability to store and record data relating to the operational performance of a user requested function by the first computer including the unique features of 'the second computer being preprogrammed to at least partially disable the performance of the user requested function irrespective of the user satisfying the requirements of the first computer system to receive the correspondingly selective authorization' in combination with the rest of the claim language is not taught or fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
